

## Deadline approaching for EIFS Council of Canada Architectural Design Awards Program Submissions

(March 13, 2017, Toronto, ON) The deadline is approaching for the EIFS Council of Canada (ECC) Design Awards Program. All interested candidates are encouraged to register and submit architectural projects online via the ECC Architectural Design Awards website by April 7<sup>th</sup>, 2017.

“We have been really impressed by the variety of firms and projects registered thus far,” remarks John Garbin, President and CEO of the EIFS Council of Canada, “We strongly encourage the industry to nominate a project on behalf of their architect and/or designer clients. This is a great opportunity for professionals that utilize EIFS in their built projects to showcase their work.”

The ECC Architectural Design Awards Program was established to recognize design professionals and firms which incorporate EIFS products into innovative and creative built projects. The goal of the ECC Awards Program is to create a new benchmark in EIFS construction, and will help professionals to achieve Canada’s national objective of creating resilient, sustainable buildings.

The Awards Program is open to all architects, architectural firms or design professionals that have designed and completed a building located in Canada which utilizes EIFS. Eligible buildings must be occupied no sooner than January 1st, 2015 and no later than January 31st, 2017.

**Registrations and submissions are due April 7<sup>th</sup>, 2017.** All applicants that have been deemed eligible have until April 7<sup>th</sup>, 2017 to prepare their electronic submission packages. **Submissions must be received no later than 12:01am April 7<sup>th</sup>, 2017.**

Award finalists will be announced on **May 7<sup>th</sup>, 2017.** Award recipients will be honoured at the EIFS Council of Canada Annual General Meeting and Awards Dinner on June 13<sup>th</sup>, 2017.
